Sub: **Discontinuation of Honorarium/Allowance of Saksham Yuva under Saksham Yuva Scheme and Unemployment Allowance (Old Scheme) after offer letter issued to them through Mega Job Fairs.**

It has been taken into account that many of the Saksham Youth are deliberately not joining the job which is offered to them in the job fairs even though they willingly participate in them but after selection, they do not join for one reason or the other and continue to take allowance and honorarium. Therefore, the efforts of the Department in organizing job fairs and ensuring issuance of a job offer to them go waste.
